Effective date: October 4, 2026

This policy explains how Angell Medical, Inc., doing business as Angell Medical Spa, handles information collected through angellmedicalspa.com and our text messaging program. How we protect your health information as a patient is described separately in our **Notice of Privacy Practices**, available on this website and in our office.

Please Don't Send Health Information Through the Website or Email

Our website is for information and links only. Appointment booking and new-client intake happen in our secure scheduling and forms systems, which our Notice of Privacy Practices covers. Please don't include health details in general email or social media messages; call us instead.

Information We Collect

- **Information you give us** when you call, email, or message us, such as your name, phone number, and email address.
- **Information collected automatically** when you visit, such as your device and browser type, IP address, pages viewed, and how you arrived at our site. We collect this through cookies and analytics tools, such as Google Analytics, to understand how the site is used. These analytics providers may collect information about your online activity over time and across different websites.

You can block or delete cookies in your browser settings. The site will still work.

How We Use It

- To respond to your questions and requests.
- To keep the website working, secure, and useful.
- To understand, in general terms, how visitors find and use the site.

Sharing

We do not sell your personal information. We share it only with service providers who help us run the website and communicate with you, and only for those purposes, or when the law requires it.

Links to Other Services

Our website links to services we use but do not control, including our online booking system (Boulevard), our new-client form (Google Forms), Google Maps, and Instagram. Their own privacy policies apply when you use them.

Children

Our website is not directed to children under 16, and we do not knowingly collect their personal information online. If you believe a child has sent us personal information through the website, contact us and we will delete it.

SMS Text Messaging Terms

By providing your mobile number and opting in, you agree to receive text messages from Angell Medical Spa, including appointment confirmations and reminders, pre- and post-treatment instructions, billing notices, and replies to your questions. We send promotional messages only if you separately opt in to them. Consent to texts is not a condition of any purchase.

- Frequency:** varies with your appointments and requests.
- Opt out:** reply **STOP** to any message, or tell us in any other reasonable way, such as replying “cancel” or “unsubscribe,” calling us, or emailing us. Reply **HELP** for help, or call (916) 905-2372.
- Cost:** message and data rates may apply. Carriers are not liable for delayed or undelivered messages.
- Privacy:** mobile numbers and text opt-in information are never shared with third parties or affiliates for their marketing or promotional purposes. Our texting provider processes messages only to deliver them. Texts travel over carrier networks and aren’t encrypted end to end, so we keep health details in them to a minimum.
- Not for emergencies:** text messages are not monitored for urgent medical concerns. If you have an emergency, call 911.
